

OFFICIAL RULES AND REGULATIONS OF THE GRAYS HARBOR COUNTY FAIR (applicable to all departments)

1. The general supervision of the entire Fair, including all exhibits, entertainment, and concessions has been vested in the Officers and Directors of the Fair Board. "FAIR" includes members of the Fair Board, Manager, and employees of the Fair Department and Grays Harbor County. Additional or special requirements may be written into any exhibitor's or concessionaire's contract with the Fair. The management reserves the final and absolute right to alter, interpret, or change these rules and regulations as may become necessary and to determine all matters, questions, and differences that may arise incidental to the fair.
2. **No animal or article may be allowed to compete for more than one premium, nor shall be entered in more than one class, except as Champion, or in group classes, or as otherwise specified under department rules. When there is no competition, or where there are fewer articles in a class than the number of premiums offered, judges may at their discretion, award premium or premiums of such grade that the exhibit deserves. Special premiums may be offered by interested parties if they conform to the general classification of the fair. The Fair Board expects to pay all premiums in full, however, since the fair must be self sustaining, the Fair Board reserves the right to make whatever reduction in premiums that is necessary to avoid deficit. ANIMAL HEALTH REQUIREMENTS

The fair will have an official veterinarian on call. The fair office will call the veterinarian in the case of emergencies or in special situations. Service call charges are the responsibility of the exhibitor.

All sheeps and goats, except castrated male goats, must have official USDA National Scrapie Eradication assigned flock identification.

Individual health certificates for Washington animals are not required for entry into the fair. The fair veterinarian may issue a blanket health certificate covering all in-state entries to the fair.

No animal from a quarantined area or premise may be permitted to enter the fair or show.

All out-of-state animal entries must comply with State of Washington import requirements. No exceptions unless exempted by rule. Please call the fair office for more information on out-of-state animal entries.

Fair veterinarians will inspect all classes of livestock and poultry (including horses, pet animals, rabbits, fur-bearing animals, pigeons, ducks, geese, and turkeys) before they are exhibited to determine that the livestock and poultry show no clinical indications of contagious, infectious diseases and or ectoparasites.

Fair veterinarians will reject any animal with infectious or contagious diseases or ectoparasites. Exhibitors should be aware that ringworm, warts, pinkeye, strangles, contagious ecthyma, scabies, lice, mites, ticks, and fleas fall into these categories.

Animals exhibiting disease symptoms during the course of the fair will be rejected by the fair veterinarian and removed from the exhibit area to a quarantined area at the fairgrounds. The Fair Veterinarian will then make the determination whether or not to send the animal home.

It is strongly recommended, but not required, that cattle be vaccinated in the current show year against respiratory diseases.

The fair veterinarian's professional decision as to the health status of an animal is final and will be upheld by the fair board.
